2023

HEADTEACHER: ALEX BRAMLEY

Device and technology acceptable use agreement for pupils

At Marsh Lane Primary School, we know that using technology is an important part of your learning experience. We want everyone to be able to use technology, like the internet and laptops, but it is important that you are safe when you are using technology.

This agreement will set out the rules around using technology and devices, such as laptops and phones, when you are at school. Please read this document carefully and go through it with your parent. Once you are sure that you understand the rules set out in the agreement, please sign your name, or get your parent to sign their name, at the bottom.

If you have any questions about anything in this agreement, speak to your teacher.
